

## **S0214 Adventurous "The tropical rainforest of the south"**

### **Itinerary**

- 08:30** Pick up from the hotel to **Khao Sok National Park**. It is the biggest area in southern Thailand of virgin rainforest includes spectacular waterfalls cascading down towering limestone cliffs and primeval jungle trails. Experience the diversity of flora and fauna in the green forest. There are many species of wild animals such as wild snakes, tapir, gaur, deer and hornbills.
- 10:00** Enjoy canoeing along **Sok River**. Paddlers are usually experts in spotting wildlife along the river just concentrate to watch beautiful scenery. Most commonly seen animals include birds, such as kingfishers and herons, snakes, frogs, monitor lizards and if you are lucky maybe even some wild monkeys. Besides the animals, you can see stunning lime stone cliffs covered with dense jungle.
- 12:00** Lunch served by the restaurant.
- 13:00** Enjoy **elephant trekking** in the tropical rainforest to experience the natural diversity. Trek through the evergreen rainforest where you will see beautiful waterfalls, trek through rivers and rubber plantations while on the back of a friendly giant. You can swim and relax before returning to **Khao Sok**.
- 15:30** Completing the nature trip to Khao Sok National Park travel back to **Khanom**.
- 18:00** Arrive at Khanom and drop off at your hotel.
