### 3. Non-Compete Clause

In an effort to uphold the highest levels of integrity in business practices and to provide the best possible customer service experience for our customers, Co van Kessel Bangkok Tours (CVK) will be enforcing the following non-competite clause with authorized agents:

- CVK is enforcing a minimum advertising price policy. As a re-seller of CVK tours, you are not allowed to advertise tours at a lower price than the going CVK tour prices as defined by the current CVK website ([www.covankessel.com](http://www.covankessel.com)). This policy gives Co van Kessel Bangkok tours, as operator of the tours, the lowest-price guarantee and is applicable to all online and offline advertising.
- CVK holds the right to decline bookings from partners if further inspection shows suspicion (or proof) that customers have previously booked their tour directly with CVK. In turn, CVK will not attempt to lure customers away from booking with authorized agents if there is prior knowledge that the customer has contacted that agent first.

If travel agent partners are found in violation of these terms, Co van Kessel Bangkok Tours reserves the right to refuse bookings, terminate the agreed upon contract, or both.
